

Dear Agree Outpost Campers and Parents,

I am extremely excited about this upcoming summer! Our staff is working diligently to ensure a safe and memorable summer for your child. In order to help you prepare, I've posted all of the camper forms online. Please print, review and complete these mandatory forms.

Camp has long been recognized as one of the most meaningful, informal educational experiences for children. Thank you for enabling us to have such a great impact on your child's growth – helping him or her to make new friends, try new things, and build upon his or her Jewish identity in the wilderness.

After reading through the posted materials, please feel free to contact me with any questions or comments.

**Please note that ALL forms must be returned to the Tamarack Camps office by May 1<sup>st</sup>, 2010.**

Sincerely,

Amit Weitzer
